Nordis Verlag has been an exhibitor at the Caravan Salon Messe Düsseldorf since 2024. The Nordis stand, with its small, colourful Scandinavian-style houses, has an excellent location in Hall 7. A total of 269.000 visitors came to the Caravan Salon 2025 during the 10 days of the fair.

There is huge demand for 'camping in Scandinavia' in general and for our products 'Nordis-Magazin' and 'NordCamper'. Even though the Caravan Salon is not a classic travel fair, there is enormous interest in tourist information and inspiration for the next (camping) holiday in Scandinavia/ Northern Europe.

The cooperation with Nordis also offers the opportunity to maintain a presence in the relevant target group beyond the Caravan Salon.

This is the offer:

- Participation at the Nordis joint stand with the topic 'Camping in Scandinavia'
- The joint stand will be supervised by our staff, so that the partners do not have to participate in the Caravan Salon themselves or send staff.
- The partners only have to send us trade fair material (roll-up, brochures, flyers, etc.).
- Our staff will also contact the partners in advance of the Caravan Salon to discuss the details of the presentation.

Price: € 2.000,- per partner/destination.
